

# We need you

Are you passionate about sustainability to Swiss Higher Education Institutions? Are you tired of sustainability goals that aren't in line with the SDGs? Do you look for the opportunity to build an organisation that can have a nationwide impact on how universities understand and live sustainability? Then join us as **President** and work for the sustainability interests of students all across Switzerland to give them a common voice and make sure that everybody knows about it. This position also offers you the opportunity to build a strategic and organised structure to strive for your goals!

## What you'll be doing as the President of VSN-FDD-FSS

- Act with strategic leadership, i.e. improve VSN structures, specify objectives and organise the association
- Keep in contact with external partners, and collaborate with VSS-UNES
- Identify and work on new fields of interest for the VSN-FDD-FSS
- Collaborate with other board members to further advance already existing fields of interests (i.e. university politics, administration, external relations, etc.)
- Lead VSN-FDD-FSS board meetings and delegate assemblies

## What we offer

- A team dedicated to sustainability
- A culture of openness, collaboration, constructiveness and mutual respect
- An environment where you can challenge yourself and try out new things without being afraid of failing
- A large network of engaged students and organisations
- A chance to gain experience and know-how in student engagement and sustainability
- The opportunity to gain insights into organisation-building, strategy development and team organisation

## You are

- Eager to promote sustainability in the Swiss Higher Education landscape
- Good active knowledge of at least one national language and English (any additional national languages would be amazing)
- Motivated to challenge yourself and develop new skills

## We are

The [VSN-FDD-FSS](#) is an umbrella association of student organisations for sustainability in Switzerland. We support our members through our experience and networks and give them a voice on a national level.
