# We need you!

Are you passionate about bringing sustainability to Swiss Higher Education Institutions?  
Are you good and comfortable with numbers and a talent of organisation?  
Do you love working in a dedicated and energized team?

Then you've come to the right place. Join us as **Treasurer** in bringing together the sustainability interests of students all across Switzerland, giving them a common voice, and making sure that everybody knows about it. We are looking for a board member who has basic knowledge in accounting.

## What you'll be doing as the Treasurer of VSN-FDD-FSS

- ❖ Keep Our Finances in Check – Manage the financial affairs and compliance of VSN-FDD-FSS and ensure everything runs smoothly and transparently.
- ❖ Budgeting & Planning – Prepare the annual budget, track expenses, and help create financial plans that support our sustainability projects.
- ❖ Lead Financial Reporting – Oversee the annual accounts and provide clear insights into financial transactions.
- ❖ Drive Impact Together – Work closely with our teams to manage budgets effectively, ensuring our sustainability projects have the financial support they need to make a real difference.

## What we offer

**Hands-on Financial Experience** – Gain valuable skills in budgeting, bookkeeping, and financial management—great for your future career!

**Expand Your Network in Sustainability** – An opportunity to connect with key players in the Swiss sustainability and education scene, including student organizations, universities, and major NGOs.

**Grow in a Supportive Team** – A team with high intrinsic motivation, that is committed to help you grow. You'll be part of a team that values collaboration, openness, and mutual respect.

**Safe Space for Innovation** – Experiment, challenge yourself, and explore new ideas in an open, collaborative, and respectful environment where constructive feedback and creativity thrive—without fear of failure.

**Experience with Impact** – Gain expertise in sustainability, student engagement, and project development while making a real difference, plus receive an official engagement certificate for your CV.

## You are

**Passionate About Sustainability** – You want to contribute to a greener future and support sustainability initiatives in Swiss universities.

**Interested in Financial Matters** – You enjoy working with numbers, budgeting, or bookkeeping and are eager to develop your financial management skills.

**A Student or Recent Graduate** – Ideally, you've had some exposure to student engagement and/or sustainability, but enthusiasm is what truly matters.

**Comfortable with Basic English** – You can communicate in English, and any additional knowledge of German, French, or Italian is a plus!

**Motivated to Learn & Grow** – You're excited to take on new challenges, gain hands-on experience, and develop valuable skills in a supportive team.

**Committed to Making an Impact** – You can dedicate around 2 hours per week to shaping meaningful projects and creating real change.

## We are

The [VSN-FDD-FSS](#) is the Swiss Association of Student Organizations for Sustainability. We are a national student-led network that connects and empowers students from Swiss higher education institutions to actively engage in sustainability.

As an organization by students, for students, we collaborate with universities, student associations like [VSS-UNES](#), NGOs, and key stakeholders from the public and private sectors to drive meaningful change. Our work includes:

- ❖ Developing and supporting sustainability projects that benefit students and university communities.
- ❖ Advocating for stronger sustainability measures within higher education institutions.
- ❖ Hosting workshops, events, and networking opportunities to equip students with skills and knowledge to take action.
- ❖ Bringing together passionate students who want to make a difference and build a strong community around sustainability.

VSN is driven by motivated volunteers, supported by a dynamic team that values collaboration, impact, and innovation in student engagement for sustainability.
