

We need you

Are you passionate about bringing sustainability to Swiss Higher Education Institutions?
Do you have experience in team work and love working in a dedicated team?
Do you want to empower students to make their sustainability projects become reality?

Then you've come to the right place. Join us for the **Ressort Project Creation** in bringing together the sustainability interests of students all across Switzerland, giving them a common voice, and making sure that everybody knows about it. We are looking for **you** to strengthen our team.

What you'll be doing for the Ressort Project Creation of VSN-FDD-FSS

- ❖ Create Impactful Projects – Develop and implement innovative sustainability initiatives that make a real difference for students.
- ❖ Collaborate with your counterpart in VSS-UNES to plan and conduct steering board meetings, ensuring that student needs and sustainability goals are effectively integrated into the project.
- ❖ Take the lead in developing, planning, and executing innovative projects that promote sustainability among students with the help of the VSN-FDD-FSS network.
- ❖ Identify and engage with student organizations, academic institutions, and external partners to co-create impactful sustainability initiatives.
- ❖ Inspire & Engage – Help shape the future of student sustainability by promoting projects and mobilizing student communities.

What we offer

Boost Your Leadership Skills – An opportunity to develop your leadership skills and get exposure to running and developing a young organisation (including hiring processes, strategic workshops, impact measurement)

Expand Your Network in Sustainability – An opportunity to connect with key players in the Swiss sustainability and education scene, including student organizations, universities, and major NGOs.

Grow in a Supportive Team – A team with high intrinsic motivation, that is committed to help you grow. You'll be part of a team that values collaboration, openness, and mutual respect.

Safe Space for Innovation – Experiment, challenge yourself, and explore new ideas in an open, collaborative, and respectful environment where constructive feedback and creativity thrive—without fear of failure.

Experience with Impact – Gain expertise in sustainability, student engagement, and project development while making a real difference, plus receive an official engagement certificate for your CV.

You are

Passionate About Sustainability – You're eager to drive change and promote sustainability in the Swiss Higher Education landscape.

Proactive & Creative – You love bringing ideas to life, taking initiative, and finding innovative solutions to challenges.

A Team Player – You enjoy working with others, exchanging ideas, and collaborating in a supportive, intrinsically motivated team.

A Student or Recent Graduate – Ideally, you've had some exposure to student engagement and/or sustainability, but enthusiasm is what truly matters.

Motivated & Ready to Grow – You're excited to challenge yourself, develop new skills, and take on responsibility in a dynamic team.

Committed to Making an Impact – You can dedicate around 2-4 hours per week to shaping meaningful projects and creating real change.

Communicative – You have an active knowledge of at least one national language and some English (any additional national languages would be amazing!).

We are

The [VSN-FDD-FSS](#) is the Swiss Association of Student Organizations for Sustainability. We are a national student-led network that connects and empowers students from Swiss higher education institutions to actively engage in sustainability.

As an organization by students, for students, we collaborate with universities, student associations like [VSS-UNES](#), NGOs, and key stakeholders from the public and private sectors to drive meaningful change. Our work includes:

- ❖ Developing and supporting sustainability projects that benefit students and university communities.
- ❖ Advocating for stronger sustainability measures within higher education institutions.
- ❖ Hosting workshops, events, and networking opportunities to equip students with skills and knowledge to take action.
- ❖ Bringing together passionate students who want to make a difference and build a strong community around sustainability.

VSN is driven by motivated volunteers, supported by a dynamic team that values collaboration, impact, and innovation in student engagement for sustainability.
